

# Class Web Site Survey

As you know, we have a class web site that has been up and running since the beginning of 4<sup>th</sup> grade. I am currently in the process of evaluating the use of the web site. Please take a few minutes to complete the questions below. Your help and input is greatly appreciated!

1. Have you or your student visited the web site? YES NO
2. If you answered yes, how often do you visit? (After this question, please move on to #4.) Daily Weekly Monthly

3. If you answered no, could you please explain why and mention what might make you visit the site? *-You are now done with the survey.-*
